ABOUT

Rock Mob (The Rock Mob) is an 80s, 90s and 2000s rock tribute and cover band based in Ozark, Alabama, and led by guitarist Jason Harlow . The band brings arena-sized rock to the Wiregrass and across the Southeast, playing throughout Alabama, Georgia, Florida, Tennessee and Mississippi. They will travel farther for the right event. The band recreates the anthems of AC/DC, Aerosmith, Journey, Bon Jovi, Van Halen, Def Leppard, Guns N' Roses and REO Speedwagon with tribute-level precision. Every member sings, which delivers stacked harmonies and big choruses. Crowds have also been known to get a surprise Marvin Gaye detour. Rock Mob plays festivals, concert series, venues, corporate events, private parties and weddings. They bring the full production: their own sound, synchronized lights and video screens, and even a stage if needed. Larry Brennon runs sound and lights, so buyers get a turnkey show that looks and sounds like a concert. Fans rate Rock Mob 5.0 stars across 172 reviews .
